RECITALS

- The Company operates **"List My India™"**, India's hyperlocal PIN-code business directory, available at **www.listmyindia.com** and, once launched, on the Google Play Store and Apple App Store (together, the **"Platform"**, as defined in **Clause 1**), connecting local businesses with local area residents at the pincode level.
- The Company appoints Franchise Partners on a pincode-exclusive basis to operate, grow, and locally represent the Platform within their assigned territory.
- The Franchise Partner has applied for, and the Company has agreed to grant, a franchise for PIN Code **[Pincode]** (**"Territory"**), under the **[Tier — Bronze / Silver / Gold]** plan.

NOW THEREFORE, in consideration of the mutual covenants herein, the Parties agree as follows:

1. DEFINITIONS

- **"Platform"** means the **List My India™** website at **www.listmyindia.com**, and, once launched, the **List My India™** mobile applications on the Google Play Store and Apple App Store, together with any other digital application or channel through which the Company operates its business listing and local discovery services, from time to time.
- **"Territory"** means the single PIN code assigned to the Franchise Partner under the Recitals above, within which the Franchise Partner holds exclusive rights as described in **Clause 12**.
- **"TAM" (Total Addressable Market)** means the estimated count of addressable businesses (retail + home-based) within the Territory. See the table below for the computation and illustrative figures.

- **"Free Listing"** means a business registered on the Platform at no charge.
- **"Paid Listing"** means a business subscribed to a paid business-listing plan offered by the Company (currently branded **"LMI Star"**, as described in **Annexure B**), at the rate applicable on its date of signup, locked for the life of that subscription (**"cohort-locked pricing"**). The Company may rename this plan, or introduce additional or replacement paid listing plans, at its discretion; this definition and the cohort-locked pricing principle apply to any such plan.
- **"Territory Revenue"** means, for a given month, the sum of (i) recurring Paid Listing revenue collected that month across all active subscriptions in the Territory, (ii) one-time Setup Fees collected that month, (iii) Sponsorship Revenue (Homepage Banner, Search & Category Banner, Category Featured) collected that month, all as priced per **Annexure B**, and (iv) any other revenue generated within the Territory through the Platform, from whatever source, including but not limited to Value-Added Services, marketplace or lead-sharing commissions, or any other product or service the Company may introduce from time to time. Territory Revenue is computed on the full, undiscounted fee regardless of any referral reward paid out by the Company under **Clause 8.4**. Territory Revenue excludes Social Media Revenue, as provided in Clause 8.1A.
- **"Revenue Share"** means the amount payable to the Franchise Partner under **Clause 8.1** — Territory Revenue multiplied by the percentage applicable to the Franchise Partner's Tier (LMI Bronze 30%, LMI Silver 40%, LMI Gold 55%). Territory Revenue itself is the Company's total collections within the Territory from whatever source; it is not, as such, payable to the Franchise Partner — only the Revenue Share is.
- **"Fiscal Quarter"** means each three-month period of the standard Indian financial year used for tracking under this Agreement — Q1 (April–June), Q2 (July–September), Q3 (October–December), Q4 (January–March) — irrespective of the Franchise Partner's Commencement Date.
- **"Target"** means the Company's aspirational performance goal in the Territory for Paid Listings and Sponsorship Revenue, tracked quarter-wise and ramping per **Annexure A**. See the table below for the computation and illustrative figures.
- **"Franchise Minimum"** means the minimum performance floor in the Territory, across four metrics, below which the Performance Notice mechanism under **Clause 9** applies. See the table below for the computation and illustrative figures. Figures above are illustrative, at the 1,00,000 reference population used throughout this template. Actual figures for the Territory are set out in **Annexure A** once regenerated per **Clause 22**.

Term	Metric	Basis	Year 3 @ 1,00,000 pop.
TAM (Total Addressable Market) — components sum to the TAM used throughout			
TAM	Retail Stores	Population × 1.25%	1,250
TAM	Home-Based Businesses	Retail Stores × 5	6,250
TAM	TAM (Total)	Retail Stores + Home-Based	7,500
Target — aspirational, tracked quarterly (Clause 9)			
Target	Paid Listings	50% of TAM	3,741
Target	Sponsorship Revenue (annual)	100% of available inventory sold	₹25,58,428
Franchise Minimum — Red Flag floor, triggers Clause 9 if breached			
Franchise Minimum	Paid Listings (Red Flag)	25% of TAM	1,886
Franchise Minimum	Sponsorship Revenue (Red Flag, annual)	50% of Target Sponsorship Revenue	₹12,79,214
Franchise Minimum	Free Listings	90% of TAM	6,764
Franchise Minimum	Users/Buyers	30% of Population	30,010

- **"Annexure A"** means the standardized performance-target schedule attached hereto, computed at a reference population of 1,00,000 and regenerated for the Territory's actual population as described in **Clause 22**. Note on Category Featured: the Category Featured component of Sponsorship Revenue and the Sponsorship Target throughout this Agreement (including **Annexures A**, **B**, and **D**) is calculated on the basis of 4 slots for one category only, as a conservative baseline for target-setting and revenue projection purposes. In practice, a Territory may have multiple business categories, each capable of independently selling its own Category Featured slots — meaning actual achievable Sponsorship Revenue may be materially higher than the figures shown. This is a deliberate conservative assumption for calculation purposes, not a cap on the Franchise Partner's actual opportunity or entitlement under **Clause 8.1**.

2. GRANT OF FRANCHISE

The Company hereby grants the Franchise Partner a **non-exclusive-to-the-Company-but-exclusive-to-the-Territory** (subject to **Clause 12**, including the limited LMI Virtual Top-Up carve-out in **Clause 12.3**), non-transferable right to operate as the **List My India™** Franchise Partner for the Territory, under the **[Tier]** plan, for the Term set out in **Clause 3**.

This is a licence to operate under the Company's brand and systems, and does not constitute a partnership, joint venture, agency, or employer-employee relationship between the Parties. **Clause 19** (Independent Contractor Status) governs.

3. TERM & RENEWAL

3.1 This Agreement is for an initial term of **three (3) years** from the Commencement Date (**"Initial Term"**), subject to earlier termination under **Clause 11**.

3.2 Renewal: This Agreement does not renew automatically. At the end of the Initial Term, this Agreement may be renewed for successive periods only if: (a) the Franchise Partner has achieved, by the end of the Initial Term, per **Annexure A**, the Franchise Minimum for Paid Listings, Free Listings, Users/Buyers, and Sponsorship Revenue — the same floor used for the **Clause 9** termination mechanism; and (b) the Company confirms the renewal in writing. If the Company does not so confirm, this Agreement expires automatically at the end of the Initial Term, without requiring further notice from either Party.

4. REPRESENTATIONS & WARRANTIES

4.1 The Franchise Partner represents and warrants to the Company that: (a) there are no existing contracts, restrictive covenants, or legal restrictions preventing full performance of their duties and obligations under this Agreement; and (b) they possess the requisite qualifications, knowledge, skills, and experience to perform those obligations.

4.2 The Franchise Partner further represents and warrants that all information provided in their application — including any eligibility declarations for Young Entrepreneur, Women Entrepreneur, or Special-Needs Waiver pricing under **Clause 6**, and any Franchise Questionnaire or KYC documentation submitted — is true, accurate, and complete. KYC documents may be submitted via the Franchise Admin dashboard (as that functionality becomes available) or physically attached at execution; the Franchise Partner's Application Questionnaire and KYC documents, however submitted, are incorporated by reference and form part of this Agreement. The specific KYC, GST, banking, nominee, and witness details required are set out in **Annexure E**.

4.3 If any information under **Clause 4.2** is found to be intentionally false or materially misleading: (a) where that information was the basis for Young Entrepreneur, Women Entrepreneur, or Special-Needs Waiver pricing, the Company may retroactively re-rate the Franchise Fee to the Regular Franchise Partner rate for the Franchise Partner's Tier and recover the difference; and (b) regardless of which information was false, the Company may terminate this Agreement for cause under **Clause 11.1(c)**.

4.4 GST Registration: (a) The Franchise Partner shall obtain GST registration whenever it is required by law — that is, when the Franchise Partner's aggregate turnover (from all its businesses, including the Revenue Share under **Clause 8.1**) exceeds the threshold under Section 22 of the CGST Act, 2017 (currently ₹20 lakh for suppliers of services, or ₹10 lakh in the special category States notified for this purpose), or in any other case where registration becomes compulsory under Section 24 of that Act — and shall furnish the GSTIN to the Company within 30 days of becoming so liable. The Franchise Partner may also register voluntarily at any time, including before signing.

(b) A Franchise Partner not registered under GST at the date of signing shall so declare in **Annexure E**, and undertakes to monitor its aggregate turnover and to notify the Company in writing within 30 days of becoming liable to register.

(c) The Revenue Share under **Clause 8.1** is commission for services rendered by the Franchise Partner to the Company (**Clause 8.6**). As all invoices to customers are issued solely by the Company (**Clause 8.5**), the Franchise Partner does not supply goods or services to customers on the Company's behalf, and nothing in this Agreement makes the Franchise Partner an agent of the Company for the purposes of Section 24(vii) of the CGST Act, 2017. Accordingly, GST registration is not required by reason of this Agreement alone, whether the Franchise Partner is located within or outside Uttar Pradesh, unless otherwise required under (a).

(d) The Franchise Partner is solely responsible for its own GST registration, returns, and compliance, and for any tax, interest, or penalty arising from its failure to register or comply. Failure to register or to furnish the GSTIN when required, or a false declaration under (b), is a material breach of this Agreement, entitling the Company to terminate under **Clause 11.1(a)** if not remedied within 30 days of written notice.

4.5 Entity Type & Authorization: The Franchise Partner may be an individual, a sole proprietorship, a partnership firm, an LLP, or a company. Where the Franchise Partner is not an individual, this Agreement shall additionally record its PAN, GSTIN, the authorized signatory's name, and the board resolution or authorization letter under which they sign.

5. DUTIES & RESPONSIBILITIES OF THE FRANCHISE PARTNER

5.1 Within the Territory, the Franchise Partner shall:

- identify and onboard businesses, home-based ventures, unregistered businesses, and roadside/pushcart vendors onto the Platform;
- ensure listings are accurate and complete (business name, address, contact details, services, photographs);
- promote businesses aligned with the Company's '**Vocal for Local**' initiative;

- explain available listing plans and premium add-ons (sponsored listings, advertisements, featured banners) to businesses based on their needs;
- follow up on failed subscription renewals with the relevant business owner;
- conduct local marketing campaigns, online and offline, to promote the Platform and encourage registrations;
- provide responsive first-line support to listed businesses, including handling inquiries and resolving issues;
- submit regular reports on marketing activities and their outcomes, and handle customer complaints and their resolution; and
- comply with the Company's guidelines, quality standards, and applicable law at all times, exercising the degree of professional competence, care, and diligence normal in this field.

5.2 The nature and scope of these duties may be updated by mutual written consent of the Parties from time to time.

5.3 The Company shall provide initial training on operating standards, marketing guidelines, and reporting requirements, and may offer ongoing support as mutually arranged.

6. FEES & PAYMENT

6.1 The Franchise Partner shall pay the Company, and receive the Company Assets and Revenue Share, the following, exclusive of applicable GST unless stated otherwise. The Revenue Share row is repeated from **Clause 8.1** for quick reference; **Clause 8.1** governs in case of any discrepancy.

6.2 All Franchise Licence Fee, Kit Fee and Office Setup amounts (where applicable) in the table above are payable before the Commencement Date, by the mode(s) specified by the Company. GST is payable additionally at the applicable rate on the Franchise Licence Fee and Kit Fee. The Launch Advertising Commitment under Clause 6.5 is not payable to the Company; it is spent directly by the Franchise Partner. Company Assets and the Marketing & Advertising Obligation are governed by Clauses 15.3–15.4 and Clause 7 respectively, not paid up-front.

6.3 Launch Advertising Adjustment (LMI Bronze): Where an LMI Bronze Franchise Partner opts to undertake the Launch Advertising Commitment under Clause 6.5 (optional for that Tier), the actual amount spent, as evidenced under Clause 6.5(e), is adjusted against the Franchise Partner's monthly Marketing & Advertising Obligation under Clause 7, for the number of months obtained by dividing the actual amount spent by the Tier's monthly obligation amount set out in the Clause 6.1 table (rounded down to the nearest whole month). During that adjustment period, the Franchise Partner is not required to separately meet the Clause 7 monthly obligation; the ordinary Clause 7 monthly obligation resumes from the month immediately following the adjustment period.

6.4 Franchise Kit Contents: The Company may vary the items and quantities comprising the Franchise Kit from time to time, based on business requirements. A Franchise Partner already onboarded shall not be charged any additional amount, beyond the Kit Fee applicable to them at onboarding, on account of such variation, including any increase in the Company's cost of kit items arising for reasons outside the Company's control — any resulting increase in the Kit Fee applies only to Franchise Partners onboarded after that increase takes effect, consistent with the cohort-locked pricing principle. Separately, where the Company introduces a new promotional item or material, after a Franchise Partner's onboarding, that is not part of their original Franchise Kit and that the Company determines is helpful to growing the Territory's revenue, the Company may require the Franchise Partner to pay for that additional item on an actual-cost basis.

6.5 Launch Advertising Commitment: (a) The Franchise Partner shall, within thirty (30) days of the official launch date of the Territory — which shall be the Execution Date (the date of the last signature recorded in the eSign audit trail) — spend not less than ₹40,000 (Rupees Forty Thousand only) directly on launch advertising of List My India™ within the Territory — mandatory for LMI Silver and LMI Gold, and optional for LMI Bronze. This amount is not paid to or collected by the Company. (b) The Franchise Partner may use any one or more of the following media: a hoarding (physical or digital) at a prominent location; a large flex banner at a prominent location in the Territory; advertising on autorickshaw hoods; or any other suitable local medium approved by the Company. (c) All costs — including media or site rental, printing, mounting, labour, local permissions and applicable taxes — shall be borne solely by the Franchise Partner, including any amount in excess of ₹40,000. For the avoidance of doubt, where a hoarding or billboard (physical or digital) is used, all charges for its printing (flex/vinyl), fabrication, installation, mounting, maintenance and removal shall be borne solely by the Franchise Partner; the Company shall not bear, pay or reimburse any such charges. (d) The creative (using Company-approved templates and branding) and the medium and location shall be approved by the Company in writing before release. (e) Within fifteen (15) days of release, the Franchise Partner shall submit to the Company the vendor invoices and date-stamped photographs or videos as proof of the spend. (f) This commitment is separate from, and does not count towards, the monthly Marketing & Advertising Obligation under Clause 7, save as provided in Clause 6.3 for LMI Bronze. (g) Failure to fulfil this commitment is a material breach, entitling the Company to terminate under Clause 11.1(a) if not remedied within 30 days of written notice.

6.6 Special-Needs Inclusion Waiver: for an applicant with a qualifying disability, or their immediate parent/sibling/caretaker, the LMI Bronze Franchise Fee is waived in full — payable amount is Kit Fee + GST only (₹76,700), subject to valid medical documentation.

6.7 Revision of Fees and Charges: The Franchise Licence Fee, Kit Fee, Launch Advertising Commitment and all other amounts set out in Clauses 6.1 to 6.6 reflect the Company's prevailing rates as on the Execution Date of this Agreement. These amounts are fixed and binding for this Agreement only, and shall not be increased for the Franchise Partner during its Term, save as expressly provided in Clause 6.4. The Company reserves the right to revise, update or withdraw any of these fees, charges, inclusions or commitments at any time, at its sole discretion and without prior notice, for Franchise Partners appointed after such revision. No revision shall entitle the Franchise Partner to any refund or adjustment of amounts already paid or committed, nor shall any lower rate offered to another Franchise Partner be applied to this Agreement.

7. MARKETING & ADVERTISING OBLIGATION

7.1 Each month, the Franchise Partner shall spend, on local marketing and advertising activities promoting **List My India™** and its listings within the Territory, not less than the amount set out in the **Clause 6.1** table for their Tier (5% of the Franchise Partner's own Revenue Share for the previous month under **Clause 8.1**, or the Tier's flat minimum, whichever is higher). For

the first month following the Commencement Date, the Tier's flat minimum applies, there being no prior month's Revenue Share.

7.2 The Franchise Partner shall submit a monthly marketing report, together with receipts evidencing this expenditure, to the Company.

7.3 Digital Marketing: All localised digital marketing expenses (targeted at the Territory) and pan-India digital marketing expenses shall be borne by the Company. These are separate from, and do not count towards, the Franchise Partner's marketing and advertising obligation under **Clause 7.1**, which covers local, offline marketing activity.

8. REVENUE SHARE ARRANGEMENT

8.1 The Franchise Partner shall receive the Revenue Share for the Territory, at the rate applicable to their Tier: **LMI Bronze 30%, LMI Silver 40%, LMI Gold 55%** of Territory Revenue (also shown at the top of the **Clause 6.1** table for quick reference).

8.1A Social Media Revenue Excluded: Any income earned by the Company from the monetisation of its social media presence — including advertising revenue, creator or partner-programme payouts, channel memberships or subscriptions, brand collaborations, sponsored or promoted posts, and affiliate income — on Facebook, Instagram, YouTube, X (formerly Twitter), LinkedIn, Threads, Telegram, ShareChat, Moj, Josh or any other social media or content platform, whether existing now or introduced later, and whether earned on the Company's national, regional or any other handle, page or channel ("Social Media Revenue"), does not form part of Territory Revenue. No Revenue Share or other payment is due to the Franchise Partner on Social Media Revenue, even where the content, audience or advertiser relates to the Territory. Sole exception: income from paid promotions, sponsored messages or advertisements carried on the Company's official PIN-code-based WhatsApp Group and/or WhatsApp Channel for the Territory shall form part of Territory Revenue under item (iv) of its definition, shall be invoiced by the Company under Clause 8.5, and shall attract the Revenue Share at the Franchise Partner's Tier rate.

8.2 The Company shall settle the Franchise Partner's Revenue Share monthly, on or before the **10th day** of the succeeding month, accompanied by a statement showing Paid Listings, Setup Fees, and Sponsorship Revenue collected in the Territory for that month.

8.3 Indicative revenue-share figures at the Target performance pace (50% of TAM) are set out in **Annexure A**. These are illustrative, not a guarantee of income; actual revenue depends on actual Paid Listings, Sponsorship uptake, and Territory population.

8.4 Referral Programme: The Company may operate a referral programme, open to any person including the Franchise Partner, under which a person who refers a new Paid Listing subscriber using their referral code earns a reward equal to one (1) month's subscription fee value, paid as an Amazon voucher (or equivalent, at the Company's discretion), on successful completion of the referred subscriber's second month's payment. Where the Franchise Partner earns such a reward, it is in their personal capacity as a referrer, separate from and in addition to their Revenue Share under **Clause 8.1**. The cost of any such referral reward is borne by the Company and does not reduce Territory Revenue for the purposes of calculating the Franchise Partner's Revenue Share. The Franchise Partner shall be paid their Tier percentage on the full, undiscounted first-month listing and/or sponsorship fee, notwithstanding any referral reward paid out by the Company. This referral benefit is a temporary, discretionary promotional scheme; the Company reserves the right to change, modify, or discontinue it at any time as it deems fit, and no claim shall be entertained in this regard.

8.5 Invoicing: (a) All invoices to businesses and other customers for Paid Listings, Setup Fees, Sponsorship, and any other product or service under this Agreement shall be issued only by the Company, in the Company's name and GSTIN, in all circumstances and regardless of which Franchise Partner's Territory the customer is in. The Franchise Partner shall not, under any circumstances, issue any invoice, bill, or receipt to a customer in its own name, or collect any payment from a customer into its own account; all customer payments shall be made directly to the Company through the Platform or such other payment modes as the Company designates. Any breach of this sub-clause is a material breach of this Agreement under **Clause 11.1**.

(b) The Revenue Share paid under **Clause 8.1** is a separate settlement between the Company and the Franchise Partner, evidenced by the monthly statement under **Clause 8.2**. Where the Franchise Partner is GST-registered, the Franchise Partner authorises the Company to prepare, through the Franchise Admin dashboard or otherwise, the monthly tax invoice for the Revenue Share in the Franchise Partner's name and GSTIN, on the basis of that monthly statement; the Franchise Partner shall review it within 5 days of issue, after which it shall be deemed accepted. The Franchise Partner remains the supplier of that service and is responsible for reporting the invoice in its own GST returns. The Company shall pay GST at the applicable rate in addition to the Revenue Share, and may withhold the GST component until the invoice is reflected in the Company's GST records (Form GSTR-2B).

(c) Where the Franchise Partner is not GST-registered, the Revenue Share shall be paid without GST, against the Company's monthly settlement statement and payment voucher.

8.6 Tax Deduction at Source (TDS): The Revenue Share payable under **Clause 8.1** is commission or brokerage for the Franchise Partner's services in onboarding, marketing, and supporting the Territory on the Company's behalf. The Company shall deduct tax at source from each payment under Section 194H of the Income Tax Act, 1961 (or its then-current equivalent), at the rate applicable. The Franchise Partner shall furnish their PAN and such other documents as the Company may reasonably require to apply the correct TDS rate, and the Company shall issue a TDS certificate (Form 16A) for amounts deducted, within the time prescribed under applicable law.

9. PERFORMANCE TARGETS, REVIEW & WARNING SYSTEM

9.1 Annexure A sets out, by Year 1, 2 and 3, standardized to the Territory's actual population per **Clause 22**: the Target and Franchise Minimum figures for each metric, computed as set out in the "Target" and "Franchise Minimum" definitions in **Clause 1**.

9.2 Quarterly Review: The Company shall review the Franchise Partner's actual performance, at the end of each Fiscal Quarter, against: (a) the pro-rated Target for Paid Listings and Sponsorship Revenue, for progress reporting; and (b) the pro-rated Franchise Minimum (Red Flag floor) for Paid Listings, Sponsorship Revenue, Free Listings, and Users/Buyers, per **Annexure A** ramped to a quarterly figure.

9.3 Catch-Up Mechanic: If the Franchise Partner's Users/Buyers, Free Listings, Paid Listings, or Sponsorship Revenue fall below the pro-rated Franchise Minimum (Red Flag floor) for that metric in a given quarter (**"Shortfall Quarter"**), the shortfall for that metric is added to its Franchise Minimum target for the immediately following quarter (**"Catch-Up Quarter"**) — i.e., the Franchise Partner must make up the prior shortfall in addition to meeting the Catch-Up Quarter's own Franchise Minimum for that metric. Falling below the Target (but not below the Franchise Minimum) for Paid Listings or Sponsorship Revenue does not trigger this Clause.

9.4 Warning Mechanism: If the Franchise Partner also falls below the catch-up-adjusted Franchise Minimum for that same metric in the Catch-Up Quarter — that is, fails for two consecutive quarters on any one metric, inclusive of the make-up requirement — the Company shall issue a written warning (**"Performance Notice"**) together with a Performance Improvement Period of 90 days.

9.5 If performance remains below target at the end of the Performance Improvement Period, the Company's priority is to support the Franchise Partner back to target performance, not to terminate the relationship. The Company may, at its discretion and in this order of preference: (a) extend a further Performance Improvement Period with additional training or lead-generation support; (b) conduct a territory review to identify and address structural causes of underperformance; and only where performance remains persistently below target despite repeated improvement periods, (c) terminate this Agreement for cause under **Clause 11.2**.

9.6 No warning or termination under this Clause shall apply for shortfall caused by Force Majeure (**Clause 21**) or by the Company's own failure to make the Platform, leads, or support available as required under this Agreement.

10. EXIT OPTIONS

10.1 Voluntary Exit by Franchise Partner: The Franchise Partner may exit this Agreement, without cause, at any time after completing **one (1) year** from the Commencement Date, by giving the Company not less than **60 days'** prior written notice.

10.2 Financial Consequence of Voluntary Exit: The Kit Fee, Franchise Fee, and any unused Marketing Contribution are non-refundable and stand fully forfeited on exit under this Clause, regardless of how much of the Term remains unexpired.

10.3 On exit under this Clause, the Territory reverts to the Company, and the Franchise Partner shall immediately cease using the Company's brand, marks, and systems, per **Clause 15**.

11. TERMINATION

11.1 Either Party may terminate this Agreement with immediate effect by written notice if the other Party: (a) commits a material breach not remedied within 30 days of written notice; (b) becomes insolvent, bankrupt, or is wound up; or (c) engages in fraud, misrepresentation, or conduct materially damaging to the Company's brand.

11.2 The Company may terminate for cause per **Clause 9.5(c)** following persistent shortfall despite repeated Performance Improvement Periods, or per **Clause 13.3** (Prohibited Products).

11.3 On termination for any reason, all sums due to the Company become immediately payable, the Territory reverts to the Company, and **Clauses 14** (Confidentiality), **15** (IP), **16** (Non-Compete), **17** (Non-Solicit), and **20** (Indemnification) survive termination. Amounts already paid by the Franchise Partner under Clause 6 are not refundable on termination, expiry or non-renewal of this Agreement.

12. TERRITORY EXCLUSIVITY

12.1 During the Term, the Company shall not appoint another Franchise Partner for the same Territory (PIN code).

12.2 This exclusivity does not extend to Growth Partner or Super Growth Partner appointments in the same Territory. Growth Partners and Super Growth Partners perform a one-time referral role, distinct in kind from the Franchise Partner's ongoing operational role under this Agreement, and receive recurring income tied to Territory Revenue under a separate Growth Partner / Super Growth Partner Agreement with the Company, payable by the Company from its own remaining share of Territory Revenue, without reducing the Franchise Partner's Revenue Share under **Clause 8.1**. Growth Partners and Super Growth Partners may lawfully coexist with the Franchise Partner's rights under this Agreement.

12.3 Future Services — LMI Virtual Top-Up: The Company may, at its discretion, launch an additional add-on service in the future (**"LMI Virtual Top-Up"**), covering Google Business Profile setup and management, 360-degree photo/video content, and virtual tour production, for businesses within the Territory. The Franchise Partner shall always have the First Right of Refusal to deliver the LMI Virtual Top-Up service in the Territory — the Company shall offer it to the Franchise Partner first, on terms communicated by the Company at that time, before offering it to anyone else. Only if the Franchise Partner declines, or is otherwise unable to take up, this opportunity — including for want of technical capability, or difficulty operating required equipment such as a 360-degree camera — may the Company appoint a separate franchise partner or service provider for that service alone within the same Territory, notwithstanding the exclusivity granted under **Clause 12.1**. That appointment shall itself be exclusive for the LMI Virtual Top-Up service within the Territory — the Company shall not appoint more than one such alternate provider for that service in the same Territory at a time. In that event, the Company shall pay the existing Franchise Partner, for each successful subscription of the highest-value Paid Listing plan then offered by the Company (currently LMI Star) sold through that separate service provider in the Territory, an amount equal to that plan's actual selling price under **Annexure B** for the preceding month — not its MRP — subject to applicable deductions. No Revenue Share or pass-on applies to any other product or service sold through that provider. Where the Franchise Partner is instead assigned the LMI Virtual Top-Up service, the Company shall provide a 360-degree camera and accessories as a Company Asset for that purpose, governed by **Clause 15.3** (ownership) and **Clause 15.4** (return on termination).

12.4 Territory Definition: The Territory's boundaries follow the post office(s) and area(s) mapped to the Territory's PIN code(s), as per the data available and updated from time to time on https://www.data.gov.in/ (or such successor or equivalent government data source). The post office(s) and area(s) so mapped as of the date of appointment of the Franchise Partner shall define the Territory for the purposes of this Agreement. Any addition or deletion of post office(s) or area(s) under the Territory's PIN code(s) thereafter shall be at the sole discretion of the Company, and the Company's determination of the resulting Territory boundaries shall be final and binding on the Franchise Partner.

12.5 Growth Partner / Super Growth Partner Conversion: A Growth Partner or Super Growth Partner may submit their interest to be appointed as the Franchise Partner for the Territory(ies) in which they operate, subject to the Company's standard shortlisting and appointment process for Franchise Partners — including a qualifying questionnaire, a one-on-one interview, and reference checks — and at the Company's sole discretion. The eligibility rules for conversion between these roles, and for holding more than one role on the same PIN code, are set out in the table below.

Scenario	Permitted?	Conditions / Notes
Growth Partner or Super Growth Partner appointed as Franchise Partner for their own Territory	**Yes**	Subject to the Company's standard shortlisting and appointment process (qualifying questionnaire, one-on-one interview, reference checks) and the Company's sole discretion. Retains both Franchise Partner income under this Agreement and Growth Partner / Super Growth Partner income under the Growth Partner / Super Growth Partner Agreement referred to in **Clause 12.2**, for that Territory — the two are not mutually exclusive.
Franchise Partner applying for Growth Partner or Super Growth Partner status in the same Territory they hold as Franchise Partner	**No**	Not permitted, whether appointed directly or through referral, for as long as they remain Franchise Partner for that Territory.
Franchise Partner applying for Growth Partner or Super Growth Partner status for a different PIN code (not their own Territory)	**Yes**	Subject to the eligibility and other requirements of the applicable Growth Partner / Super Growth Partner Agreement.
Super Growth Partner who referred the individual appointed Franchise Partner for a PIN code — additionally booking the Growth Partner slot for that same	**Yes**	Only if the Growth Partner slot for that PIN code remains open at the time, on payment of the prevailing booking amount (Token Investment) under the Growth Partner Agreement. Entitled to the income and benefits of both roles for that PIN

PIN code		code thereafter.
Growth Partner who referred the individual appointed Franchise Partner for a PIN code — additionally booking the Super Growth Partner slot for that same PIN code	**No**	Not permitted at the time of booking.

13. PROHIBITED PRODUCTS & SERVICES

13.1 The Franchise Partner shall not promote, advertise, onboard, or list any business dealing in Prohibited Products and Services, including but not limited to: illegal or counterfeit goods; narcotics, firearms, or hazardous materials without proper certification; content violating intellectual property rights; pornographic or obscene material; content promoting hate speech, violence, or discrimination; and any other category the Company deems inappropriate at its sole discretion and communicates to the Franchise Partner in writing.

13.2 The Company may update this list from time to time; the Franchise Partner is responsible for complying with the latest version.

13.3 Listing or promoting a Prohibited Product or Service is a material breach, entitling the Company to immediate suspension or termination under **Clause 11**.

14. CONFIDENTIALITY

Each Party shall keep confidential all non-public business, technical, financial, and customer information disclosed by the other Party, and shall not disclose such information to any third party except as required by law, for the Term and for 2 years thereafter.

15. INTELLECTUAL PROPERTY & BRAND USAGE

15.1 All trademarks, logos, software, content templates, and systems provided by the Company remain the Company's exclusive property. The Franchise Partner receives a limited, revocable licence to use them solely in connection with operating the Territory during the Term.

15.2 Local marketing content created by the Franchise Partner using Company templates and assets may be used by the Company for broader marketing purposes, with attribution where reasonably practicable.

15.3 **Company Assets**: The Company may provide the Franchise Partner with the equipment and materials listed in the **Clause 6.1** table, and the 360-degree camera and accessories referred to in **Clause 12.3** where applicable (together, **"Company Assets"**), for use in operating the Territory. All Company Assets remain the sole and exclusive property of the Company at all times, whether or not in the Franchise Partner's physical possession, and are provided solely for use in connection with operating the Territory during the Term.

15.4 The Franchise Partner shall maintain Company Assets in good working condition (normal wear and tear excepted) and shall return them to the Company, at the Franchise Partner's cost, within 30 days of the expiry or termination of this Agreement. The Franchise Partner shall be liable for the replacement cost of any Company Asset lost, damaged beyond normal wear and tear, or not returned within this period.

16. NON-COMPETE

16.1 During the Term and for **6 months** thereafter, the Franchise Partner shall not operate, invest in, or assist any directly competing hyperlocal business-listing platform within the Territory.

16.2 **Enforceability of Restraint**: post-termination non-compete restraints have limited enforceability under Section 27 of the Indian Contract Act, 1872 and settled case law (e.g. Superintendence Co. v. Krishan Murgai; Percept D'Mark v. Zaheer Khan). This clause is kept modest in duration on that basis; the Confidentiality clause (14) is the primary enforceable protection for trade secrets and customer data. To be confirmed with counsel.

17. NON-SOLICIT

During the Term and for 1 (one) year thereafter, the Franchise Partner shall not solicit, or attempt to solicit, the employees or customers of the Company. The Parties may agree in writing to extend this period.

18. TRANSFER OF OWNERSHIP / ANTI-ASSIGNMENT

The Franchise Partner shall not transfer, assign, or sub-assign this Agreement, the Territory, or any rights or obligations under it, in whole or in part, without the Company's prior written approval. The Company may terminate this Agreement, or reassign the Territory, if the Franchise Partner attempts to do so without such approval.

19. INDEPENDENT CONTRACTOR STATUS

The Franchise Partner is an independent contractor, not an employee, agent, or partner of the Company. Nothing in this Agreement creates an employer-employee relationship, and the Franchise Partner is solely responsible for their own taxes, statutory registrations, and staff (if any).

20. INDEMNIFICATION & LIABILITY

20.1 Each Party shall indemnify the other against direct losses arising from its own breach of this Agreement, gross negligence, or wilful misconduct.

20.2 The Company's aggregate liability under this Agreement shall not exceed the Franchise Fee paid by the Franchise Partner, except in cases of fraud or wilful misconduct.

21. FORCE MAJEURE

Neither Party shall be liable for delay or failure to perform due to events beyond its reasonable control, including natural disaster, war, pandemic, government action, or internet/platform-wide outage, provided the affected Party gives prompt notice and resumes performance as soon as reasonably possible.

22. ANNEXURE REGENERATION FOR ACTUAL POPULATION

22.1 **Annexure A** is standardized to a reference population of 1,00,000 for comparability across this template. Before execution, **Annexure A** shall be regenerated using the Company's population-based calculator tool, applying the Territory's actual population and the same methodology (TAM, Free Listing at Franchise Minimum, Paid Listing at both Target and Franchise Minimum, and Users/Buyers at Franchise Minimum) described in the Definitions.

22.2 **Annexure D** (month-wise projection) shall likewise be regenerated for the Territory's actual population, using the same calculator tool and the Target trajectory (50% of TAM) for Paid Listings, on the same basis as **Annexure A**.

22.3 **Annexure B** (quarterly pricing ladder) is population-independent and applies as stated.

22.4 Before execution, the Parties shall mutually agree and record the population figure to be used for the Territory in **Annexure A** and **Annexure D**, drawing on the best available data from sources such as the most recent Census of India, municipal or local body records, or other reputable population estimates. The population figure so recorded shall be binding on both Parties for the purposes of this Agreement, notwithstanding any subsequent revision to that data by its originating source.

22.5 **Territory Details Table**: Area(s)/Locality Covered is determined per **Clause 12.4** (data.gov.in post office mapping as of appointment date). Population figure to be finalized and recorded per **Clause 22.4** before execution, and used to regenerate **Annexure A** and **Annexure D** per **Clause 22.1–22.2**. This table is a quick-reference summary; the Recitals and **Clause 22** govern in case of any discrepancy.

23. DISPUTE RESOLUTION & GOVERNING LAW

23.1 This Agreement is governed by the laws of India. Subject to **Clause 23.2**, courts at Ghaziabad, Uttar Pradesh shall have exclusive jurisdiction.

23.2 Any dispute shall first be referred to good-faith negotiation between the Parties for 30 days; failing resolution, either Party may refer the dispute to arbitration by a sole arbitrator under the Arbitration and Conciliation Act, 1996, seated at Ghaziabad, Uttar Pradesh, in English.

24. GENERAL PROVISIONS

24.1 **Notices**: All notices shall be in writing and sent to the addresses set out above, or such other address as either Party notifies in writing.

24.2 **Entire Agreement**: This Agreement, including its Annexures, constitutes the entire agreement between the Parties and supersedes all prior discussions on the subject matter.

24.3 Amendment: No amendment is valid unless in writing and signed by both Parties, save that the Company may update **Annexure B** (pricing) prospectively for new subscriptions with reasonable notice, without affecting the cohort-locked pricing of existing subscribers.

24.4 Severability: If any provision is held invalid, the remainder of this Agreement continues in full force.

24.5 Electronic Execution: This Agreement, and any notices, KYC documents, or Annexures under it, may be executed and delivered by electronic or digital signature (including a Digital Signature Certificate, Aadhaar e-Sign, or a recognized electronic signature platform), in accordance with the Information Technology Act, 2000, and such execution is valid and binding as if signed by hand. Each Party is responsible for ensuring the signature method they use produces a document with a verifiable, non-repudiable signature attached to the final file; a visual signature image or watermark alone, without an underlying verifiable digital certificate embedded in that same file, does not satisfy this Clause and should not be relied upon for execution.

IN WITNESS WHEREOF, the Parties have executed this Agreement by Aadhaar-based electronic signature (eSign) under Section 3A and the Second Schedule of the Information Technology Act, 2000, through Zoho Sign, in the presence of the witnesses named below, who have also signed by Aadhaar eSign. The date and time of each signature are as recorded in the Zoho Sign audit trail (Certificate of Completion), which forms part of this Agreement; this Agreement shall take effect from the date of the last signature (the "Execution Date").

ANNEXURE A — Standardized Performance Targets

*Reference Population: 1,00,000 — to be regenerated for the Territory's actual population before execution (**Clause 22**)*

Methodology: TAM (7,500 at reference population) = Population × 1.25% retail stores × 6 (retail + home-based). Free Listings Franchise Minimum = 90% of TAM by Year 3 (4-month ramp). Paid Listings: Target = 50% of TAM by Year 3 (aspirational, tracked quarterly); Franchise Minimum = 25% of TAM by Year 3 (the Red Flag floor) — both on a 6-month ramp. Sponsorship Revenue: Target = 100% of available inventory (Homepage Banner + Search & Category Banner + all Category Featured slots) sold each month, per **Annexure B** pricing; Franchise Minimum = 50% of that Target. Users/Buyers Franchise Minimum = 30% of population by Year 3 (9-month ramp). All figures follow a ramp-to-plateau growth curve, not straight-line.

Metric (Reference: 1,00,000 population)	Year 1	Year 2	Year 3
Users / Buyers (cumulative) — Franchise Minimum	7,162	18,586	30,010
Free Listings (cumulative) — Franchise Minimum	2,132	4,448	6,764
Paid Listings (cumulative) — Target (50% of TAM)	**1,053**	**2,397**	**3,741**
Paid Listings (cumulative) — Franchise Minimum (Red Flag floor, 25% of TAM)	566	1,226	1,886
Sponsorship Revenue (annual) — Target (100% inventory sold)	**₹8,16,928**	**₹18,48,928**	**₹25,58,428**
Sponsorship Revenue (annual) — Franchise Minimum (Red Flag floor, 50% of Target)	₹4,08,464	₹9,24,464	₹12,79,214

Franchise Partner's Revenue Share (at Target pace, 50% of TAM)	Year 1	Year 2	Year 3
LMI Bronze (30% share)	₹6,06,220	₹25,07,824	₹52,52,635
LMI Silver (40% share)	₹8,08,293	₹33,43,765	₹70,03,514
LMI Gold (55% share)	₹11,11,403	₹45,97,677	₹96,29,831

*Revenue-share figures assume performance exactly at the Target pace (50% of TAM) and are illustrative only — not a guarantee or projection of actual income. Falling short of the Target does not itself breach this Agreement; only falling below the Franchise Minimum (Red Flag floor) triggers **Clause 9**. Sponsorship Revenue figures reflect a single-category Category Featured baseline — see the Category Featured note in the Definitions (**Clause 1**). See **Clause 8.3**.*

A subscriber's Paid Listing price is locked at whichever quarter's rate applied on their signup date, for the life of that subscription (cohort-locked pricing, **Clause 24.3**). This is a standing, omnibus authorization, not specific to this Agreement; the Company should periodically reconfirm it remains current, including on any change in directorship.

[ENCLOSURE] Certified true copy of the Board Resolution authorising the Company's signatory, as signed by the Directors, to be enclosed here in its original signed form (not retyped), so its signatures remain intact and verifiable, per Clause 24.5.

ANNEXURE D — Month-wise Projection

*Reference Population: 1,00,000 — Target pace (50% of TAM) — to be regenerated for the Territory's actual population before execution (**Clause 22.2**)*

*Revenue columns in Lakh notation (L = ₹1,00,000) to fit all 10 columns on one page. Users and Free Listings shown are the Franchise Minimum trajectories (**Clause 1**); Paid Listings, Avg. Price, Sponsorship, and Territory Revenue are computed at the Target pace (50% of TAM) consistent with **Annexure A** and **Clause 8.3**. FP Share columns apply the **Clause 8.1** Tier percentages directly to that month's Territory Revenue. Sponsorship Revenue reflects a single-category Category Featured baseline — see the Category Featured note in the Definitions (**Clause 1**).*

*YEAR TOTAL / 3-YEAR TOTAL rows: Sponsorship, Territory Revenue, and FP Share columns are genuine 12-month (or 36-month) sums. Users, Free Listings, and Paid Listings (marked *) are stocks, not flows — summing them would double-count, so the closing (year-end) value is shown instead. Avg. Price (marked †) shows the period average, not a sum.*
