RECITALS

- The Company operates **"List My India™"**, India's hyperlocal PIN-code business directory, available at **www.listmyindia.com** and, once launched, on the Google Play Store and Apple App Store (together, the **"Platform"**), connecting local businesses with local area residents at the pincode level.
- The Company appoints **Franchise Partners** on a pincode-exclusive basis to operate, grow, and locally represent the Platform, under a separate **Franchise Partner** Agreement.
- The Company operates a **Growth Partner** and **Super Growth Partner** programme under which a person may book one or more PIN codes not yet allotted to a **Franchise Partner**, and, within an Appointment Window, refer — for a **Growth Partner**, a **Franchise Partner**; for a **Super Growth Partner**, a **Growth Partner** or a **Franchise Partner** — for those PIN codes, earning commission tied to the referred **Franchise Partner**'s own Franchise Licence Fee and Monthly Revenue Share, on the terms of this Agreement.
- The Partner has applied to book the PIN code(s) listed in **Annexure E**, and the Company has agreed to grant the Partner rights over those PIN code(s), in the capacity of **Growth Partner** and/or **Super Growth Partner** as recorded above, on the terms of this Agreement.

NOW THEREFORE, in consideration of the mutual covenants herein, the Parties agree as follows:

1. DEFINITIONS

- **"Platform"** means the **List My India™** website at **www.listmyindia.com**, and, once launched, the **List My India™** mobile applications on the Google Play Store and Apple App Store, together with any other digital application or channel through which the Company operates its business listing and local discovery services, from time to time.
- **"Partner"** means the party named in the Party Details table, acting as a **Growth Partner** and/or a **Super Growth Partner**, as recorded in that table and as the context requires.
- **"Franchise Partner Agreement"** means the Company's standard **Franchise Partner** Agreement, under which the Company appoints **Franchise Partners** on a pincode-exclusive basis.
- **"Franchise Licence Fee"** means the one-time franchise licence fee (Regular, Young Entrepreneur, Women Entrepreneur, or Special-Needs Waiver rate, as applicable) actually paid by a **Franchise Partner** for a PIN code, under **Clause 6.1** of the **Franchise Partner** Agreement, before GST.
- **"Territory Revenue"** has the meaning given to it in the **Franchise Partner** Agreement — the Company's total monthly collections, from whatever source, within a **Franchise Partner**'s PIN code.
- **"Franchise Partner's Monthly Revenue Share"** means the amount actually payable to a **Franchise Partner** for a given PIN code for a given month under **Clause 8.1** of the **Franchise Partner** Agreement (Territory Revenue multiplied by that **Franchise Partner**'s Tier percentage).
- **"Booked PIN Code(s)"** means the PIN code(s) recorded against the Partner in **Annexure E**, as updated from time to time under **Clause 6** or **Clause 7**.
- **"PIN Code Booking Request"** means a request by the Partner to book, renew, or swap one or more PIN codes, made in the mode prescribed by **Clause 6.1A**, and effective only on the Company's written confirmation under that Clause.
- **"Token Investment"** means the one-time, per-PIN-code booking fee payable by the Partner under **Clause 6**, at the rate applicable under the Slab in effect at the time of booking that PIN code, per **Annexure A**.
- **"Phased Booking Undertaking"** means the written undertaking, in the form at **Annexure D**, by which a **Super Growth Partner** commits to complete their Minimum PIN Code Commitment in tranches under **Clause 6.2**, stating the initial tranche booked, the balance PIN codes committed to, and the completion period.
- **"Active GP Pins / Active SGP Pins"** means, respectively, the total count of PIN codes booked by all **Growth Partners**, and by all **Super Growth Partners**, across the Platform, system-wide, at a given time — the figures that determine the Slab in effect for new bookings of each role.
- **"Slab"** means the Active-GP-Pins or Active-SGP-Pins band (per **Annexure A**) that determines the Token Investment rate and Commission percentages applicable to a PIN code, for that role, at the time it is booked. Once a PIN code is booked for a role, its Slab for that role — and the rates that came with it — is locked (**"Rate Lock"**) and is not affected by any later change in Active GP Pins or Active SGP Pins.
- **"Appointment Window"** means the period described in **Clause 7.1** within which the Partner must secure a Successful Referral for a Booked PIN Code.
- **"Successful Referral"** means, for a Booked PIN Code: (a) for a **Growth Partner**, the appointment of a **Franchise Partner** for that PIN code, brought about through the **Growth Partner**'s own introduction or referral; and (b) for a **Super Growth Partner**, the appointment of either a **Growth Partner** or a **Franchise Partner** for that PIN code, brought about through the **Super Growth Partner**'s own introduction or referral (including, where the **Super Growth Partner** refers a **Growth Partner** who then themselves secures the **Franchise Partner** appointment, that eventual **Franchise Partner** appointment).
- **"One-Time Commission"** means the one-time commission described in **Clause 8.1(a)**.
- **"Monthly Commission"** means the recurring monthly commission described in **Clause 8.1(b)**.
- **"Interim Activity Commission"** means the temporary commission on Net Activity Revenue described in **Clause 8.9**.

2. GRANT OF GROWTH PARTNER / SUPER GROWTH PARTNER STATUS

2.1 The Company grants the Partner the non-exclusive right, in the capacity recorded in the Party Details table, to book PIN codes not yet allotted to a **Franchise Partner**, and to earn the commissions described in this Agreement on the Booked PIN Codes listed in **Annexure E**, for the Term of this Agreement.

2.2 This is a licence to participate in the **Growth Partner** and/or **Super Growth Partner** programme, and does not constitute a partnership, joint venture, agency, or employer-employee relationship between the Parties. **Clause 17** (Independent Contractor Status) governs.

2.3 Booking a PIN code under this Agreement does not make the Partner a **Franchise Partner** for that PIN code, and does not itself grant the Partner any territorial exclusivity, operational rights, or duties of the kind held by a **Franchise Partner** under the **Franchise Partner** Agreement.

2.4 A Partner recorded as **"Both"** in the Party Details table holds **Growth Partner** and **Super Growth Partner** status concurrently, on a PIN-code-by-PIN-code basis, as separately booked and paid for under **Clause 6**; holding one role does not by itself confer the other for any given PIN code. **Clause 8.3** (Dual-Role Stacking) governs the position where the Partner holds both roles on the same PIN code.

3. TERM & RENEWAL

3.1 Term: This Agreement commences on the Commencement Date and has an initial term of three (3) years **("Initial Term")**, matching the initial term of the **Franchise Partner** Agreement. This Agreement does not renew automatically as a whole; on and after expiry of the Initial Term, it continues, renews, and expires separately for each Booked PIN Code, as set out in **Clause 3.2**, subject to earlier termination under **Clause 20**.

3.2 PIN-Code-Linked Continuation: For each Booked PIN Code on which a Successful Referral is in effect, this Agreement — and the Partner's Monthly Commission for that PIN code — shall continue, renew, and expire together with the **Franchise Partner** Agreement for that PIN code, including where that **Franchise Partner** Agreement runs beyond the Initial Term of this Agreement. Accordingly: (a) if the **Franchise Partner** Agreement for that PIN code is renewed or continues beyond its initial term of three (3) years — renewal of which is not automatic and is subject to the Company's written approval on the **Franchise Partner** achieving a minimum of 25% of the agreed TAM (Total Addressable Market) for that Territory, as provided in the **Franchise Partner** Agreement — this Agreement and the Partner's Monthly Commission for that PIN code shall continue for the same renewed period, without any fresh agreement or further Token Investment by the Partner; and (b) if the **Franchise Partner** Agreement for that PIN code is not renewed, expires, or is terminated, or the **Franchise Partner** resigns or exits, for any reason, the Partner's Monthly Commission for that PIN code shall cease from the effective date of that event, per **Clause 8.7**.

3.3 Each PIN Code Independent: Each Booked PIN Code is treated separately. The renewal, expiry, termination, or lapse of any one Booked PIN Code — whether under **Clause 3.2**, **Clause 7.3**, or **Clause 8.7** — shall not affect the Partner's rights, or the One-Time Commission or Monthly Commission, on any other Booked PIN Code that remains valid under this Agreement.

3.4 Appointment Window Unaffected: The 3-year term of this Agreement does not give the Partner 3 years to find a **Franchise Partner** or **Growth Partner** for a Booked PIN Code; for each Booked PIN Code, the Partner has only the three (3) month Appointment Window, subject to the extension and lapsing provisions of **Clause 7**; a Booked PIN Code without a Successful Referral within that window (or any Company-approved extension) lapses under **Clause 7.3**, regardless of the remaining Initial Term.

3.5 Accrued Commission Protected: Termination or expiry of this Agreement, or of its application to any Booked PIN Code, does not by itself forfeit any One-Time Commission or Monthly Commission already accrued and payable up to the effective date of that termination or expiry, subject to **Clause 20.3**.

4. REPRESENTATIONS & WARRANTIES

The Partner represents and warrants to the Company that: (a) there are no existing contracts, restrictive covenants, or legal restrictions preventing full performance of their duties and obligations under this Agreement; and (b) they possess the requisite qualifications, knowledge, skills, and experience to perform those obligations.

5. DUTIES & RESPONSIBILITIES OF THE PARTNER

5.1 For each Booked PIN Code, within the Appointment Window (**Clause 7**), the Partner shall:

- identify, approach, and refer suitable candidates for appointment as **Growth Partner** (**Super Growth Partner** only) and/or **Franchise Partner** for that PIN code;
- support the Company's shortlisting and onboarding process for any candidate so referred;
- comply with the Company's guidelines, quality standards, and applicable law at all times; and
- refrain from making any representation, offer, or commitment on the Company's behalf beyond what this Agreement authorises.

5.2 The Partner is not required to maintain a local office, hold Company Assets, or meet any minimum performance target under this Agreement; securing a Successful Referral within the Appointment Window, and the resulting commission, are the primary mechanism of this Agreement, not a performance-linked franchise.

6. PIN CODE BOOKING & TOKEN INVESTMENT

6.1 A **Growth Partner** may book one or more PIN codes not already booked by another **Growth Partner** or **Super Growth Partner**, or allotted to a **Franchise Partner**, by submitting a PIN Code Booking Request in the mode prescribed by **Clause 6.1A** and paying the applicable Token Investment on the Company's confirmation of that Request. There is no

minimum number of PIN codes a **Growth Partner** must book. This Clause 6.1 is subject to **Clause 7.6** (Third-Party Growth Partner Interest).

6.1A Mode of Booking Requests: This Agreement is executed once, by Aadhaar-based eSign through Zoho Sign (Clause 22.5); it is not re-executed for each PIN code booked afterwards. Accordingly, every PIN Code Booking Request after signing — whether a fresh booking under this **Clause 6.1**, a balance-tranche submission under a Phased Booking Undertaking (**Clause 6.2**, **Annexure D**), a renewal under **Clause 6.5**, or a swap under **Clause 6.6** — shall be made in writing, by email, from the email address recorded for the Partner in the Party Details table (or any other email address the Partner has notified to the Company in writing), to info@listmyindia.com or sanjeev@listmyindia.com (or any other email address the Company has notified to the Partner in writing), stating the specific PIN code(s) requested. A PIN Code Booking Request has no effect unless and until the Company confirms it in writing, by email, stating the PIN code(s) confirmed, the Slab and rates applicable, and the Token Investment payable; the Partner shall pay that Token Investment within 7 days of the Company's confirmation, failing which the confirmation lapses and those PIN code(s) return to the pool of PIN codes available for booking. No other mode of communication — including a phone call, WhatsApp message, or verbal request — constitutes a valid PIN Code Booking Request or Company confirmation under this Agreement. The Company shall record each confirmed Request in **Annexure E** per **Clause 6.7**.

6.2 Super Growth Partner Minimum — Phased Booking: A **Super Growth Partner** must book not less than the Minimum PIN Code Commitment — 50 (fifty) PIN codes, or such other number as the Company may prescribe from time to time under **Clause 6.2C** (the "Minimum PIN Code Commitment") — at the applicable per-PIN Token Investment under **Annexure A**, Part 2, to be appointed and to remain a **Super Growth Partner**. This minimum may be met either (a) in a single booking transaction, or (b) in phased tranches, where the Partner books an initial tranche of such number of PIN codes as may be approved by the Company in writing and signs a Phased Booking Undertaking, in the form at **Annexure D**, committing to book the balance PIN codes — each submitted as a PIN Code Booking Request under **Clause 6.1A** — within the completion period stated in that Undertaking. On the strength of the initial tranche and the signed Undertaking, the Company may appoint the Partner as **Super Growth Partner** with immediate effect, at the **Super Growth Partner** rates under **Annexure A**, Part 2, for the PIN codes already booked.

6.2A Completion of PIN Code Selection: Where the Partner has paid the Token Investment for more PIN codes than it has selected and the Company has confirmed — whether for the full Minimum PIN Code Commitment paid upfront, or for any tranche — the Partner shall submit the remaining PIN codes as PIN Code Booking Requests under **Clause 6.1A** within ninety (90) days of that payment or, where booking in phased tranches, within the completion period stated in the Phased Booking Undertaking (the **"Completion Period"**). On the Partner's written request made before the Completion Period ends, the Company may, at its sole discretion, extend it in writing by such further period as it thinks fit. The Appointment Window for each such PIN code runs from the date the Company confirms it (**Clause 7.1**).

6.2B Default — Forfeiture: If the Partner does not submit (or, where booking in phased tranches, book and pay for) all the balance PIN codes within the Completion Period or any extension approved under **Clause 6.2A**: (i) the Token Investment already paid for PIN codes not selected and confirmed by then shall stand forfeited to the Company, without further notice, and shall not be refundable or adjustable against any future booking; (ii) the PIN codes already confirmed shall remain booked at the **Super Growth Partner** Slab and rates locked at booking, subject to their own Appointment Window under **Clause 7**; and where a **Growth Partner** or **Franchise Partner** has already been appointed for any such PIN code through the Partner's Successful Referral, the Partner's One-Time Commission and Monthly Commission for that PIN code shall continue for the tenure of the respective **Franchise Partner**, as provided in **Clause 3.2**; (iii) the Partner shall not book further PIN codes at **Super Growth Partner** rates until it meets the Minimum PIN Code Commitment then applicable afresh; and (iv) the Company may additionally treat the failure as a material breach entitling it to terminate the **Super Growth Partner** appointment under **Clause 20.2** — in each case without affecting any One-Time Commission or Monthly Commission that accrued and fell due before that date.

6.2C Revision of the Minimum: The Company may, at its sole discretion and by notice on the Platform or by email, revise the Minimum PIN Code Commitment — for example, from 50 to 25 PIN codes, or to any other minimum number decided by the Company — with effect for new **Super Growth Partner** appointments made after the date of that notice. A revised Minimum PIN Code Commitment shall not apply, whether to its benefit or otherwise, to any **Super Growth Partner** already appointed before that date (including one still completing a Phased Booking Undertaking), who shall remain governed by the Minimum PIN Code Commitment applicable at its appointment. No revision affects PIN codes already booked, their Rate Lock (including the Slab and commission rates locked at booking), or commission already accrued.

6.3 The Token Investment for a PIN code is payable in full, before the booking is confirmed, at the rate (or, for a **Growth Partner** booking 5 or more PIN codes in the same booking, the bulk rate) set out for the Slab in effect at that time, per **Annexure A**. GST is payable additionally at the applicable rate.

6.4 Once paid, the Token Investment is non-refundable, except where the Company is unable to allot the booked PIN code to the Partner for reasons attributable to the Company, in which case the Company shall refund the Token Investment paid for that PIN code in full.

6.5 Renewal of Lapsed PIN Codes: The Partner — including a Partner whose booking of a PIN Code has lapsed under **Clause 7.3** — may reserve that Lapsed PIN Code, or any other then-available PIN code, again, by paying the Token Investment applicable under the Slab then in effect. There is no minimum-PIN-code restriction on such a renewal or fresh booking — the Partner may renew or newly book as few or as many PIN codes as they wish to activate through a valid Successful Referral, regardless of the Minimum PIN Code Commitment that applied to a **Super Growth Partner**'s original appointment under **Clause 6.2**. Renewal of a PIN code before its initial window ends, to continue the Interim Activity Commission, is governed by **Clause 8.9(d)**.

6.6 PIN Code Swap: The Partner may request, as a PIN Code Booking Request under **Clause 6.1A**, to exchange a Booked PIN Code that has not lapsed for another then-available PIN code, subject to the Company's approval. Unless the Company agrees otherwise in writing, the original booking date, Slab, and Rate Lock carry over to the substituted PIN code, and the balance of that PIN Code's Appointment Window (**Clause 7.1**) continues running from the original booking date, unaffected by the swap. A sample request format is set out in Annexure F, Part F.2.

6.7 Annexure E records each Booked PIN Code, its booking date, Appointment Window deadline, the role(s) booked for it (**Growth Partner** / **Super Growth Partner** / both), the Slab and rates locked in at booking, the Token Investment paid, and its current status. The Company shall update **Annexure E** as PIN codes are booked, swapped, renewed, converted to a Successful Referral, or lapsed.

7. APPOINTMENT WINDOW & REFERRAL COMPLETION

7.1 For each Booked PIN Code, the Partner has a period of 3 (three) months from its booking date (the **"Appointment Window"**) within which to secure a Successful Referral for that PIN code.

7.1A Referral Timelines — Maximum Periods: For clarity, the following maximum periods apply to each Booked PIN Code, each extendable only by the Company's written approval under **Clause 7.2**:

(a) Super Growth Partner — 3 months: A **Super Growth Partner** has three (3) months from the booking date of the PIN code (**Clause 7.1**) to secure a Successful Referral, by getting a **Growth Partner** or a **Franchise Partner** appointed for it.

(b) Growth Partner — 3 months: A **Growth Partner** (including one referred by a **Super Growth Partner**) has three (3) months from the date of its own agreement, or of the Company's confirmation of that PIN code to it, whichever is later, to refer a **Franchise Partner** and get that **Franchise Partner** appointed. Where the **Growth Partner** was referred by a **Super Growth Partner**, the **Super Growth Partner**'s booking of that PIN code continues during the **Growth Partner**'s three (3) months; if no **Franchise Partner** is appointed by the end of that period, and that period has not been extended by the Company in writing on a request made before it ends by the respective **Growth Partner** or **Super Growth Partner** under **Clause 7.2** (or, if extended, by the end of the extended period), the bookings of both the **Growth Partner** and the **Super Growth Partner** for that PIN code lapse under **Clause 7.3**, and no One-Time Commission or Monthly Commission becomes payable to either for it (**Clause 8.6**).

(c) Franchise Partner — 30 days: A **Franchise Partner** candidate must pay the Franchise Advance (not less than ten percent (10%) of the Franchise Licence Fee) within the applicable period in (a) or (b), and must then, within thirty (30) days of paying the Franchise Advance, pay the balance Franchise Licence Fee, the Kit Fee, and applicable GST in full, as provided in the Company's **Franchise Partner Application & Advance Undertaking**. The **Franchise Partner** Agreement shall be signed only after the Company has received that full payment, and the printing of the franchise kit and the dispatch of any franchise material shall be initiated only after the **Franchise Partner** Agreement has been signed. If payment is completed and the **Franchise Partner** Agreement signed within those thirty (30) days, the Franchise Advance is adjusted against the Franchise Licence Fee and the appointment counts as made within the period in (a) or (b), even if that period ended in the meantime; if not, the Franchise Advance is forfeited to the Company.

(d) Longest Route: Accordingly, the longest route for a PIN code booked by a **Super Growth Partner** is three (3) months for the **Super Growth Partner** to get a **Growth Partner** appointed, followed by three (3) months for that **Growth Partner** to get a **Franchise Partner** appointed, plus up to thirty (30) days for that **Franchise Partner** to complete its appointment after paying the Franchise Advance.

7.2 Extension Request: If the Partner has not secured a Successful Referral for a Booked PIN Code by the end of its Appointment Window, the Partner may, before the Window lapses, send the Company a written request for additional time, by email or any other mutually accepted mode of communication. The Company may, at its sole discretion, approve or reject the request, and may attach conditions or a revised deadline to any approval. **Extension Timeline:** Any first extension approved under this Clause shall be for one (1) month only, counted from the date of expiry of the original three (3) month Appointment Window (including a **Growth Partner**'s three (3) months under **Clause 7.1A(b)**). If the **Super Growth Partner** or **Growth Partner** does not secure a Successful Referral within that extended month, any further extension — one or more — shall be entirely at the Company's sole discretion, granted purely on merit (for example, where a **Franchise Partner** candidate has paid the Franchise Advance or is at the final stage of appointment), for such period and on such conditions as the Company decides; each further request must likewise be made in writing before the

then-current extended period ends. An extension does not continue the Interim Activity Commission (**Clause 8.9(c)**). A sample request format is set out in Annexure F, Part F.1.

7.3 Lapsing: If no extension is requested, or a requested extension is not approved, the booking of that PIN Code is deemed lapsed at the end of the Appointment Window (or the approved extended period, if any) (**"Lapsed PIN Code"**). A Lapsed PIN Code returns to the pool of PIN codes available for booking by any **Growth Partner** or **Super Growth Partner**, including, on the terms of **Clause 6.5**, the same Partner. Lapsing under this Clause affects only the Booked PIN Code(s) in question; it does not, by itself, terminate this Agreement as it applies to the Partner's other Booked PIN Codes, or the Partner's status under this Agreement generally.

7.4 A Successful Referral completed within the Appointment Window (or any Company-approved extension) remains valid, and the Partner's entitlement to the One-Time Commission and Monthly Commission on that PIN Code under **Clause 8** continues, regardless of whether any other Booked PIN Code under this Agreement lapses under **Clause 7.3**.

7.5 Company-Sourced Candidates: If the Company independently identifies a suitable **Franchise Partner** candidate for a Booked PIN Code before the Partner's own Successful Referral, the Company shall notify the Partner and request that the Partner complete the referral formalities for that candidate. The Partner shall do so by the date specified in that request, or within 7 days of the request, whichever is later. If the Partner does not do so within that period, the Company may appoint that candidate as **Franchise Partner** directly, without the Partner's further involvement; the Partner nonetheless remains entitled to the One-Time Commission and Monthly Commission under **Clause 8** for that PIN Code, on the same basis as if the Partner had completed the referral themselves, for so long as that Booked PIN Code and this Agreement remain in effect. Where the Partner is a **Super Growth Partner**, a **Franchise Partner** candidate sourced by the Company under this **Clause 7.5** does not count as the Partner's own referral for the purposes of **Clause 8.3** (Dual-Role Stacking): the **Super Growth Partner** may not book the **Growth Partner** slot for that PIN code, appoint or nominate a **Growth Partner** for it, or itself become its **Growth Partner**, whether or not it completes the referral formalities; its own One-Time Commission and Monthly Commission for that PIN code, at its locked **Super Growth Partner** rates, remain unaffected.

7.6 Third-Party Growth Partner Interest in a Super Growth Partner PIN Code: (a) Where a PIN code is booked by a **Super Growth Partner** and is still within its Appointment Window without a Successful Referral, and another person (the **"Interested Party"**) applies to the Company to be appointed **Growth Partner** for that PIN code, the Company shall not entertain that application unless the Interested Party has a Confirmed Franchise Partner Lead for that PIN code. A **"Confirmed Franchise Partner Lead"** means a **Franchise Partner** candidate who has (i) submitted a signed **Franchise Partner** Application & Advance Undertaking and complete KYC to the Company, and (ii) paid the Company an advance of not less than ten percent (10%) of the applicable Franchise Licence Fee (before GST) for that PIN code (the **"Franchise Advance"**), to be adjusted against the Franchise Licence Fee on appointment.

(b) Notice to the Super Growth Partner: On receiving such an application, the Company shall give the **Super Growth Partner** seven (7) days' written notice by email, under **Clause 6.1A**, without disclosing the identity or contact details of the Interested Party or its candidate. Within those seven (7) days, the **Super Growth Partner** may retain the PIN code by presenting its own Confirmed Franchise Partner Lead, or a **Growth Partner** who has a Confirmed Franchise Partner Lead meeting the same standard; the resulting appointment shall count as the **Super Growth Partner**'s own Successful Referral.

(c) Appointment of the Interested Party: If the **Super Growth Partner** does not do so within the seven (7) days, the Company may, at its discretion, appoint the Interested Party as **Growth Partner** for that PIN code, on payment of the Token Investment then applicable under **Annexure A**, Part 1, and proceed with the appointment of its **Franchise Partner**.

(d) Super Growth Partner's Commission Protected: In that event, the **Super Growth Partner** shall retain its booking of that PIN code, and the appointment shall be treated as a Successful Referral for the **Super Growth Partner**, entitling it to its One-Time Commission and Monthly Commission at its locked **Super Growth Partner** Slab rates, as in a Referral Chain under **Clause 8.2**, payable once the **Franchise Partner** is actually appointed (**Clause 8.6**). The Interested Party earns its own **Growth Partner** commission independently, and neither commission reduces the other.

(e) Failure of the Interested Party's Lead — Forfeiture and Reversion: If, within thirty (30) days of the Interested Party's appointment as **Growth Partner**, its **Franchise Partner** candidate is not finally appointed (by signing the **Franchise Partner** Agreement), or the full Franchise Licence Fee for that PIN code is not paid to the Company, then, automatically and without further notice: (i) the Franchise Advance paid by that candidate and the Token Investment paid by the Interested Party for that PIN code shall stand forfeited to the Company and shall not be refundable; (ii) the Interested Party's **Growth Partner** appointment for that PIN code shall stand cancelled; and (iii) the PIN code shall revert to the **Super Growth Partner**'s booking, with the period from the date of the Company's notice under (b) to the date of reversion added to the **Super Growth Partner**'s Appointment Window for that PIN code. The corresponding forfeiture term binds the candidate through the Company's **Franchise Partner Application & Advance Undertaking** (Clause D.3), and binds the Interested Party through this Clause, which forms part of its own **Growth Partner** agreement.

(f) Good Faith: The Company shall not use this Clause to bypass the **Super Growth Partner**, and shall not solicit or encourage any third party to apply for a PIN code booked by the **Super Growth Partner**. Candidates identified by the Company itself remain governed by **Clause 7.5**.

8. COMMISSION STRUCTURE

8.1 For each Booked PIN Code on which the Partner has a Successful Referral in effect, the Partner shall receive:

- (a) a **One-Time Commission** equal to the percentage set out for the Partner's role and Slab in **Annexure A**, applied to the Franchise Licence Fee actually paid by the **Franchise Partner** appointed for that PIN code, payable in the month following the Company's receipt of that fee; and
- (b) a **Monthly Commission** equal to the percentage set out for the Partner's role and Slab in **Annexure A**, applied to that **Franchise Partner**'s Monthly Revenue Share for that PIN code for each month, payable for as long as (i) the **Franchise Partner** Agreement for that PIN code, and (ii) this Agreement as it relates to that Booked PIN Code, both remain in effect.

8.2 Referral Chains: Where a **Super Growth Partner** refers a **Growth Partner**, and that **Growth Partner** (rather than the **Super Growth Partner** directly) is the one who secures the **Franchise Partner** appointment for a PIN code, this still counts as a Successful Referral by the **Super Growth Partner** for that PIN code (see the definition of **"Successful Referral"**). In that situation: the **Growth Partner** earns its own One-Time Commission and Monthly Commission under **Clause 8.1** at the **Growth Partner** Slab rate (**Annexure A**, Part 1), and the **Super Growth Partner** separately earns its own One-Time Commission and Monthly Commission at the **Super Growth Partner** Slab rate (**Annexure A**, Part 2) — both calculated independently on the same Franchise Licence Fee and Monthly Revenue Share base for that PIN code. Both amounts are payable by the Company from its own remaining share of Territory Revenue, and neither reduces the other, nor the **Franchise Partner**'s own Revenue Share under **Clause 8.1** of the **Franchise Partner** Agreement.

8.3 Dual-Role Stacking: Where the same Partner holds both **Growth Partner** and **Super Growth Partner** status for the same PIN code — including where a **Super Growth Partner** who referred the **Franchise Partner** appointed for a PIN code additionally books the **Growth Partner** slot for that same PIN code, on payment of the prevailing Token Investment under **Annexure A**, Part 1 — the Partner's One-Time Commission and Monthly Commission for that PIN code are the **sum** of the **Growth Partner**-Slab percentage and the **Super Growth Partner**-Slab percentage then applicable to each role (for example, at the **"Up to 100"** Slab for both roles: 5% + 2.5% = 7.5% One-Time, and 5% + 2.5% = 7.5% Monthly — see **Annexure A**). Each Slab rate is locked independently at the time that role was booked for that PIN code (Rate Lock, **Clause 1**). For the avoidance of doubt, and consistent with the **Franchise Partner** Agreement, a **Growth Partner** who referred the **Franchise Partner** appointed for a PIN code may not, on that basis, additionally book the **Super Growth Partner** slot for that same PIN code. Dual-Role Stacking is available only where the **Super Growth Partner** itself referred the **Franchise Partner** (directly or through a **Growth Partner** it referred), and not for a **Franchise Partner** candidate sourced by the Company under **Clause 7.5**.

8.4 Settlement: The Company shall settle the Partner's commissions monthly, on or before the 10th day of the succeeding month, accompanied by a statement showing the Franchise Licence Fee and/or Monthly Revenue Share, and the commission calculated, for each Booked PIN Code for that month — consistent with the settlement timing under **Clause 8.2** of the **Franchise Partner** Agreement.

8.5 Actual One-Time Commission and Monthly Commission figures depend on the **Franchise Partner**(s) actually appointed, their Tier, and their actual Territory Revenue, and are not guaranteed or projected by this Agreement.

8.6 No Commission Without a **Franchise Partner** Appointment: The mere appointment of a **Growth Partner** for a Booked PIN Code — including where a **Super Growth Partner** refers that **Growth Partner** — does not, by itself, trigger any One-Time Commission or Monthly Commission for that PIN code. Because both are calculated on the Franchise Licence Fee and the **Franchise Partner**'s Monthly Revenue Share respectively (**Clause 8.1**), no commission accrues to the **Super Growth Partner**, or to the **Growth Partner** so appointed, for that PIN code until a **Franchise Partner** is actually appointed for it, whether through the **Super Growth Partner**'s own direct referral or through that **Growth Partner**'s subsequent referral (**Clause 8.2**). Recording the PIN code as having a Successful Referral in effect, per the definition of **"Successful Referral"** and **Annexure E**, preserves the Partner's entitlement to commission if and when a **Franchise Partner** is appointed for that PIN code; it does not, by itself, create any payment obligation. This **Clause 8.6** does not apply to the Interim Activity Commission under **Clause 8.9**, which accrues on Net Activity Revenue without a **Franchise Partner** appointment, for the limited period stated there.

8.7 Cessation of Commission on Cessation of Franchise Operations: If the **Franchise Partner** Agreement for a Booked PIN Code ends for any reason — including termination by the **Franchise Partner** or by the Company, on the terms of the **Franchise Partner** Agreement — the Partner's Monthly Commission for that PIN code ceases immediately from the effective date of that cessation, there being no further **Franchise Partner**'s Monthly Revenue Share for it to apply to. Any One-Time Commission or Monthly Commission that accrued and fell due before that date remains payable per **Clause 8.4**. This **Clause 8.7** does not, by itself, terminate this Agreement as it applies to the Partner's other Booked PIN Codes, or affect the Partner's rights on renewal of that PIN Code under **Clause 6.5** should the Company appoint a further **Franchise Partner** for it.

8.8 Future Online Tracking (Platform Dashboard): The Company may, at its discretion, make a Partner dashboard available on the Platform — on **www.listmyindia.com**, or on the **List My India™** mobile App once launched — allowing

the Partner to view their Booked PIN Codes, booking and Appointment Window status, and accrued and settled One-Time and Monthly Commission online. This is a convenience feature, not a term the Company is bound to deliver by any date; until such a dashboard is made available, and for any period it is unavailable or under maintenance, **Annexure E** and the statement provided under **Clause 8.4** remain the sole authoritative record of the Partner's Booked PIN Codes and commissions respectively.

8.9 Interim Activity Commission (Temporary): (a) In addition to, and separately from, the commissions under **Clause 8.1**, where a **Growth Partner** or **Super Growth Partner** works actively in a Booked PIN Code during its initial three (3) month Appointment Window and generates Net Activity Revenue there, the Partner shall earn an **"Interim Activity Commission"** on that Net Activity Revenue at the rate set out in **Annexure A**, Part 4 — currently 25% for a **Growth Partner** and 12.5% for a **Super Growth Partner**. "Net Activity Revenue" means the amounts actually received by the Company, excluding GST only — with no deduction for payment-gateway charges, bank charges, or any other cost — from Paid Listing subscriptions (including setup fees) and Sponsorship sold within that Booked PIN Code to customers onboarded by the Partner, as recorded against the Partner's referral code or ID on the Platform.

(b) Period — Initial Window Only: The Interim Activity Commission is payable strictly for the initial three (3) month Appointment Window of each Booked PIN Code (for a **Growth Partner** referred by a **Super Growth Partner**, its own three (3) months under **Clause 7.1A(b)**), and ceases immediately, for that PIN code, on the earlier of: (i) the referral of a **Franchise Partner** for that PIN code, being the date that candidate pays the Franchise Advance; and (ii) the expiry of that initial three (3) month window. From the appointment of a **Franchise Partner**, the Partner earns only the One-Time Commission and Monthly Commission under **Clause 8.1**.

(c) Extension Does Not Continue It: An extension of the Appointment Window under **Clause 7.2** (including the one (1) month extension), granted without payment of a fresh per-PIN Token Investment, extends only the time to secure a Successful Referral; the Interim Activity Commission shall not be payable during any such extension.

(d) Renewal to Continue Earning: To continue earning the Interim Activity Commission after the initial three (3) month window, the Partner may renew the relevant PIN code — whether held as **Growth Partner** or **Super Growth Partner** — by paying, before that window ends, the per-PIN Token Investment then applicable under **Annexure A**, Part 1. Each such renewal gives a fresh three (3) month period for the Interim Activity Commission and for securing a Successful Referral for that PIN code, on the same terms as this Clause; the Partner's role and the Slab and commission rates locked for that PIN code otherwise remain unchanged.

(e) Same or Different Persons; Settlement: Only where the same person holds both the **Growth Partner** and **Super Growth Partner** slots for a PIN code does the higher rate (25%) alone apply to its Net Activity Revenue, without stacking. Where the **Growth Partner** and **Super Growth Partner** for a PIN code are different persons (for example, a **Growth Partner** referred by the **Super Growth Partner**), each earns its own Interim Activity Commission at its own rate under **Annexure A**, Part 4 — 25% and 12.5% respectively — independently, on the Net Activity Revenue of that PIN code from customers onboarded by either of them during its own initial three (3) month window, and neither reduces the other. The Interim Activity Commission is settled monthly with the Partner's other commissions under **Clause 8.4**, subject to TDS under **Clause 11.2**.

(f) Temporary, Discretionary Arrangement: The Interim Activity Commission is a temporary, ad hoc arrangement. The Company may continue, modify, suspend, or discontinue it, for any or all PIN codes or Partners, at any time and at its sole discretion, by notice on the Platform or by email, without affecting Interim Activity Commission already accrued and payable up to the date of that notice; no claim shall lie against the Company for its modification or discontinuance, and nothing in **Annexure A**, Part 5(b) or **Clause 22.3** shall be read as locking the Interim Activity Commission rates.

8.10 Basis of Calculation — Excluding GST Only: Wherever any commission under this Agreement — including the One-Time Commission, the Monthly Commission, and the Interim Activity Commission — is calculated on an amount paid to or received by the Company, that amount shall be taken exclusive of GST only, without any deduction for payment-gateway charges, bank charges, or any other cost or expense of the Company.

9. GENERAL REFERRAL / PROMOTIONAL BONUS PROGRAMME

9.1 Separately from **Clause 8**, the Company may operate a general referral programme, open to any person including the Partner, under which a person who refers a new Paid Listing subscriber using their referral code earns a reward equal to one (1) month's subscription fee value, paid as an Amazon voucher (or equivalent, at the Company's discretion), on successful completion of the referred subscriber's second month's payment — consistent with **Clause 8.4** of the **Franchise Partner** Agreement. Where the Partner earns such a reward, it is in their personal capacity as a referrer, separate from and in addition to the commissions payable under **Clause 8**. This is a temporary, discretionary promotional scheme; the Company reserves the right to change, modify, or discontinue it at any time as it deems fit, and no claim shall be entertained in this regard.

10. INVOICING

All invoices to businesses and other customers for Paid Listings, Setup Fees, Sponsorship, Franchise Licence Fees, and any other product or service under this Agreement or the **Franchise Partner** Agreement shall be issued by the Company, in the Company's name and GSTIN. The Partner does not invoice customers directly; the commissions paid under **Clause 8** are a separate settlement between the Company and the Partner, evidenced by the monthly statement under **Clause 8.4**.

11. GST REGISTRATION & TAX DEDUCTION AT SOURCE

11.1 GST Registration: The Partner shall obtain and maintain a valid GST registration only if, and for so long as, required under the Central Goods and Services Tax Act, 2017 (the **"CGST Act"**) — in particular, once the Partner's aggregate turnover (across all their taxable supplies, not limited to commissions under this Agreement) exceeds the threshold prescribed under Section 22 of the CGST Act (currently ₹20,00,000, or ₹10,00,000 in specified special category states). The Partner supplies referral/introduction services directly to the Company under this Agreement and does not invoice, or make any supply to, a **Franchise Partner** or other third party on the Company's behalf; this is accordingly not a supply **"as an agent or otherwise"** within Section 24(vii) of the CGST Act (see CBIC Circular No. 57/31/2018-GST on the scope of principal-agent relationships), and inter-State supplies of services below the Section 22 threshold are relieved of compulsory registration under Section 24(i) by Notification No. 10/2017-Integrated Tax dated 13 October 2017. Where the Partner is not registered, they shall furnish a self-declaration to that effect in **Annexure C**, and shall notify the Company and furnish their GSTIN promptly on becoming registered. Where the Partner is, or becomes, registered — whether on crossing this threshold or for any other business reason — they shall provide their GSTIN in **Annexure C** and comply with all applicable GST obligations on the commissions payable under this Agreement.

11.2 Tax Deduction at Source (TDS): The commissions payable under this Agreement are commission or brokerage for the Partner's services in identifying, referring, and developing business on the Company's behalf. The Company shall deduct tax at source from each payment under Section 194H of the Income Tax Act, 1961 (or its then-current equivalent), at the rate applicable. The Partner shall furnish their PAN and such other documents as the Company may reasonably require to apply the correct TDS rate, and the Company shall issue a TDS certificate (Form 16A) for amounts deducted, within the time prescribed under applicable law.

12. RELATIONSHIP TO FRANCHISE PARTNERS — CONVERSION & ELIGIBILITY

12.1 The Company may appoint a **Franchise Partner** for a Booked PIN Code at any time, at its sole discretion. The Partner has no right to object to, delay, or receive compensation for such an appointment beyond what this Agreement expressly provides (including **Clause 7.5**, Company-Sourced Candidates).

12.2 This Agreement does not restrict the Company's **Franchise Partner** appointments generally; a **Franchise Partner**'s exclusivity for their Territory, under **Clause 12** of the **Franchise Partner** Agreement, does not extend to **Growth Partner** or **Super Growth Partner** appointments in the same Territory — the Partner's recurring income under this Agreement is payable by the Company from its own remaining share of Territory Revenue, without reducing the **Franchise Partner**'s own Revenue Share.

12.3 Conversion to Franchise Partner: The Partner may submit their interest to be appointed as the **Franchise Partner** for the PIN code(s) in which they hold **Growth Partner** and/or **Super Growth Partner** status, subject to the Company's standard shortlisting and appointment process for **Franchise Partners** — including a qualifying questionnaire, a one-on-one interview, and reference checks — and at the Company's sole discretion. The eligibility rules for conversion between roles, and for holding more than one role on the same PIN code, are set out in the table below.

Scenario	Permitted?	Conditions / Notes
Growth Partner or Super Growth Partner appointed as Franchise Partner for a PIN code where they hold that status	Yes	Subject to the Company's standard shortlisting and appointment process (qualifying questionnaire, one-on-one interview, reference checks) and the Company's sole discretion. Retains both the **Franchise Partner** income under the **Franchise Partner** Agreement and the **Growth Partner** / **Super Growth Partner** income under this Agreement, for that PIN code — the two are not mutually exclusive.
Franchise Partner applying for Growth Partner or Super Growth Partner status in the same Territory they hold as Franchise Partner	No	Not permitted, whether appointed directly or through referral, for as long as they remain **Franchise Partner** for that Territory.
Franchise Partner applying for Growth Partner or Super Growth Partner status for a different PIN code (not their own Territory)	Yes	Subject to the eligibility and other requirements of this Agreement.

Super Growth Partner who referred the individual appointed Franchise Partner for a PIN code — additionally booking the Growth Partner slot for that same PIN code	Yes	Only if the **Growth Partner** slot for that PIN code remains open at the time, on payment of the prevailing Token Investment under **Annexure A**, Part 1. Entitled to the income of both roles for that PIN code thereafter — **Clause 8.3** (Dual-Role Stacking). Not available where the Franchise Partner was sourced by the Company (Clause 7.5).
Growth Partner who referred the individual appointed Franchise Partner for a PIN code — additionally booking the Super Growth Partner slot for that same PIN code	No	Not permitted at the time of booking.

13. CONFIDENTIALITY

Each Party shall keep confidential all non-public business, technical, financial, and customer information disclosed by the other Party, and shall not disclose such information to any third party except as required by law, for the Term and for 2 years thereafter.

14. INTELLECTUAL PROPERTY & BRAND USAGE

14.1 All trademarks, logos, software, content templates, and systems provided by the Company remain the Company's exclusive property. The Partner receives a limited, revocable licence to use them solely in connection with performing their duties under this Agreement.

14.2 Local marketing or referral content created by the Partner using Company templates and assets may be used by the Company for broader marketing purposes, with attribution where reasonably practicable.

14.3 Partner-Created Content — Prior Approval Required: Any marketing, promotional, referral, or other public-facing content that the Partner creates on their own initiative — including social media posts, videos, reels, WhatsApp broadcasts, flyers, or any other material referencing the Company, its brand, this Agreement, or the Partner's role under it — shall first be shared with the Company for review, through the Company's accepted mode of communication under **Clause 7.2**, and shall not be published, circulated, posted, or otherwise communicated to any third party unless and until approved by the Company. The Partner shall not make, publish, or communicate any statement, claim, or content that is inconsistent or contradictory with the Company's brand guidelines, policies, or officially approved messaging, whether or not such content was submitted for approval. A breach of this **Clause 14.3** is a material breach under **Clause 20.2**, without prejudice to the Company's rights under **Clause 13** (Confidentiality) and **Clause 20.1** (Prohibited Conduct).

15. NON-COMPETE

During the Term and for 3 months thereafter, the Partner shall not operate, invest in, or assist any directly competing hyperlocal business-listing platform in respect of any Booked PIN Code.

16. NON-SOLICIT

During the Term and for 1 (one) year thereafter, the Partner shall not solicit, or attempt to solicit, the employees or customers of the Company. The Parties may agree in writing to extend this period.

17. INDEPENDENT CONTRACTOR STATUS

The Partner is an independent contractor, not an employee, agent, or partner of the Company. Nothing in this Agreement creates an employer-employee relationship, and the Partner is solely responsible for their own taxes, statutory registrations, and staff (if any).

18. INDEMNIFICATION & LIABILITY

18.1 Each Party shall indemnify the other against direct losses arising from its own breach of this Agreement, gross negligence, or wilful misconduct.

18.2 The Company's aggregate liability under this Agreement shall not exceed the total Token Investment paid by the Partner in the 12 months preceding the claim, except in cases of fraud or wilful misconduct.

19. FORCE MAJEURE

Neither Party shall be liable for delay or failure to perform due to events beyond its reasonable control, including natural disaster, war, pandemic, government action, or internet/platform-wide outage, provided the affected Party gives prompt notice and resumes performance as soon as reasonably possible.

20. PROHIBITED CONDUCT, TERMINATION & NON-TRANSFERABILITY

20.1 Prohibited Conduct: The Partner shall not promote, refer, or onboard any business, **Growth Partner**, or **Franchise Partner** candidate dealing in illegal or counterfeit goods, narcotics, firearms, or hazardous materials without proper certification, content violating intellectual property rights, pornographic or obscene material, or content promoting hate speech, violence, or discrimination, or any other category the Company deems inappropriate at its sole discretion and communicates to the Partner in writing. This is a material breach, entitling the Company to immediate suspension or termination under **Clause 20.2**.

20.2 Either Party may terminate this Agreement with immediate effect by written notice if the other Party: (a) commits a material breach not remedied within 30 days of written notice; (b) becomes insolvent, bankrupt, or is wound up; or (c) engages in fraud, misrepresentation, or conduct materially damaging to the Company's brand. Either Party may also terminate this Agreement without cause by giving the other not less than 30 days' prior written notice.

20.3 On termination for any reason, Clauses 13 (Confidentiality), 14 (IP), 15 (Non-Compete), 16 (Non-Solicit), 18 (Indemnification), and 20.4 (Non-Transferability) survive termination. Commissions accrued and payable up to the effective date of termination remain payable per **Clause 8.4**; no further Monthly Commission accrues on any Booked PIN Code from that date, except where a Successful Referral remains valid and this Agreement continues to apply to that PIN Code under **Clause 3.2**.

20.4 Non-Transferability: This Agreement, the Partner's status as **Growth Partner** and/or **Super Growth Partner**, and any Booked PIN Code or entitlement under it, are personal to the Partner and may not be transferred, assigned, or sub-let, in whole or in part, without the Company's prior written approval. The Company may terminate this Agreement, or reclaim the relevant Booked PIN Code(s), if the Partner attempts to do so without such approval.

21. DISPUTE RESOLUTION & GOVERNING LAW

21.1 This Agreement is governed by the laws of India. Subject to **Clause 21.2**, courts at Ghaziabad, Uttar Pradesh shall have exclusive jurisdiction.

21.2 Any dispute shall first be referred to good-faith negotiation between the Parties for 30 days; failing resolution, either Party may refer the dispute to arbitration by a sole arbitrator under the Arbitration and Conciliation Act, 1996, seated at Ghaziabad, Uttar Pradesh, in English.

22. GENERAL PROVISIONS

22.1 Notices: All notices shall be in writing and sent to the addresses set out above, or such other address as either Party notifies in writing.

22.2 Entire Agreement: This Agreement, including its Annexures, constitutes the entire agreement between the Parties as to the **Growth Partner** and **Super Growth Partner** roles, and supersedes all prior discussions or agreements on that subject matter, including any earlier standalone **Growth Partner** Agreement or **Super Growth Partner** Agreement between the Parties.

22.3 Amendment & Scheme Changes: No amendment is valid unless in writing and signed by both Parties, save that the Company may update **Annexure A** (Slab & Commission Rate Card), the **Clause 6.2** minimum PIN-code commitment, or the referral/commission scheme generally, prospectively for new bookings and new Partners, with reasonable notice. No such change affects the Rate Lock, Slab, commission percentages, or other terms applicable to a Booked PIN Code, or a Successful Referral, already booked, signed, and verified as of the date of that change.

22.4 Severability: If any provision is held invalid, the remainder of this Agreement continues in full force.

22.5 Electronic Execution: This Agreement, and any notices, KYC documents, or Annexures under it, may be executed and delivered by electronic or digital signature (including a Digital Signature Certificate, Aadhaar e-Sign, or a recognized electronic signature platform), in accordance with the Information Technology Act, 2000, and such execution is valid and binding as if signed by hand. Each Party is responsible for ensuring the signature method they use produces a document with a verifiable, non-repudiable signature attached to the final file; a visual signature image or watermark alone, without an underlying verifiable digital certificate embedded in that same file, does not satisfy this Clause and should not be relied upon for execution. The Parties agree that this Agreement, including its Annexures and enclosures, shall be executed by each signatory and witness through Aadhaar-based eSign on Zoho Sign, and that the Zoho Sign completion certificate and

audit trail for this Agreement shall form part of it and be conclusive evidence of its execution, the identity of each signatory, and the date and time of each signature.

IN WITNESS WHEREOF, the Parties have executed this Agreement on the date first written above.

Mode of Execution — Aadhaar eSign (Zoho Sign): *Each signatory and witness below signs through Zoho Sign using Aadhaar-based eSign, authenticated by an OTP sent to the mobile number linked to their Aadhaar. Signing order: (1) Partner; (2) Witness for the Partner; (3) Witness for the Company; (4) Company's Authorized Signatory. No wet-ink signature is required. The date, time, and IP of each signature are recorded in the Zoho Sign audit trail (Clause 22.5).*

ANNEXURE A — SLAB & COMMISSION RATE CARD

*System-wide, applies to new PIN code bookings; rates lock at booking for each role separately (**Clause 1**, **"Rate Lock"**) and are unaffected by later Slab changes. One-Time and Monthly Commission percentages apply to the Franchise Licence Fee and the **Franchise Partner**'s Monthly Revenue Share respectively (**Clause 8**) — not to pin-code Gross Revenue.*

Part 1 — Growth Partner

Active GP Pins (Slab)	Token Investment / Pin	Token Investment (5+ pins) / Pin	One-Time Commission	Monthly Commission
Up to 100	₹1,500	₹1,000	5%	5%
101 – 200	₹5,000	₹3,500	5%	5%
201 – 500	₹7,500	₹5,000	10%	3%
501 – 1,000	₹7,500	₹5,000	10%	2%
1,000+	₹7,500	₹5,000	10%	—

*No minimum PIN codes to book (**Clause 6.1**). The 5+ pins rate applies when the **Growth Partner** books 5 or more PIN codes in the same booking.*

GST @ 18% extra on the Token Investment amounts above.

Part 2 — Super Growth Partner

Active SGP Pins (Slab)	Token Investment / Pin	One-Time Commission	Monthly Commission
Up to 100	₹500	2.5%	2.5%
101 – 200	₹1,750	2.5%	2.5%
201 – 500	₹2,500	5%	1.5%
501 – 1,000	₹2,500	5%	1%
1,000+	₹2,500	5%	—

*Minimum PIN Code Commitment — currently 50 PIN codes, or as revised by the Company from time to time — to be appointed as **Super Growth Partner** — booked in a single transaction, or phased as an initial tranche of such number of PIN codes as may be approved by the Company, plus a signed Phased Booking Undertaking for the balance (**Clause 6.2**, **Annexure D**).*

GST @ 18% extra on the Token Investment amounts above.

Part 3 — Dual-Role Stacking (Clause 8.3)

Where the same Partner holds both roles on the same PIN code, the applicable One-Time and Monthly Commission percentages are the sum of Part 1 and Part 2, each locked at its own Slab. Worked example at the **"Up to 100"** Slab for both roles:

Role	One-Time Commission	Monthly Commission
Growth Partner (Part 1)	5%	5%
Super Growth Partner (Part 2)	2.5%	2.5%
Combined (Clause 8.3)	7.5%	7.5%

Part 4 — Interim Activity Commission (Temporary) — Clause 8.9

Role	Interim Activity Commission (on Net Activity Revenue)	Payable For
Growth Partner	**25%**	Initial 3-month Appointment Window only (renewable under Clause 8.9(d))
Super Growth Partner	**12.5%**	Initial 3-month Appointment Window only (renewable under Clause 8.9(d))

Net Activity Revenue = Paid Listing (incl. setup fees) and Sponsorship collections in that PIN code from customers onboarded by the Partner, excluding GST only (no deduction for payment-gateway or other charges). Ceases immediately on a **Franchise Partner** referral (Franchise Advance paid) or on expiry of the initial 3-month window, whichever is earlier; not payable during an extension without a fresh Token Investment; to continue, renew the PIN code at the Part 1 Token Investment rate. Rates do not stack where one person holds both roles; where the Growth Partner and Super Growth

Partner are different persons, each earns its own rate. Temporary and discretionary — the Company may continue or discontinue it at any time (Clause 8.9(f)).

Part 5 — Declaration: Changes to Rates & Offers (Clauses 1 & 22.3)

(a) Company may revise rates and offers. The Token Investment rates, bulk rates, Slabs, One-Time and Monthly Commission percentages, and any related offers, discounts, or promotional schemes set out in this Annexure A may be revised, replaced, suspended, or withdrawn by the Company at any time, at its sole discretion, as it deems fit, with prospective effect for new PIN code bookings and new Partners.

(b) Agreed rates are protected. Notwithstanding (a), the rates, Slab, and commission percentages agreed for each PIN code booked under this Agreement — as recorded in the Party Details table and Annexure E and signed by the Parties — are locked at the time of booking (Rate Lock, Clause 1) and shall not be reduced, varied, or withdrawn by any future change to this Annexure A, for as long as that booking and this Agreement remain in effect. Any future change applies only to PIN codes booked, renewed (Clause 6.5), or newly confirmed after the date of that change.

(c) Acknowledgement. By signing this Agreement, the Partner acknowledges and accepts (a) and (b) above, and agrees that no claim shall lie against the Company merely because a later revision of this Annexure A offers different rates or offers to other Partners or to new bookings.

ANNEXURE D — PHASED BOOKING UNDERTAKING (SUPER GROWTH PARTNER)

*To be completed and signed only where the Partner is booking their **Super Growth Partner** Minimum PIN Code Commitment in phased tranches under **Clause 6.2**. Not applicable where the full Minimum PIN Code Commitment is booked in a single transaction. Signing this Undertaking does not itself book the balance PIN codes — each tranche of the balance must still be submitted separately as a PIN Code Booking Request under **Clause 6.1A** (by email, confirmed by the Company), as this Agreement is signed once and is not re-executed for each later tranche.*

The Partner acknowledges **Clauses 6.2A and 6.2B**: if the balance PIN codes above are not booked and paid for within the stated Completion Period (or any extension approved in writing by the Company), the Token Investment paid for PIN codes not selected and confirmed shall stand forfeited to the Company; the PIN codes already confirmed shall remain at the **Super Growth Partner** rates locked at booking; and the Company may terminate the **Super Growth Partner** appointment under **Clause 20.2** — without affecting commission already accrued and payable before that date.

Each request must be sent from the Partner's email recorded in the Party Details table to info@listmyindia.com or sanjeev@listmyindia.com (Clause 6.1A), before the relevant Appointment Window ends, and takes effect only on the Company's written confirmation by email. The formats are illustrative; any email containing the same details is valid.

Part F.1 — Request for Extension of Appointment Window (Clause 7.2 / Clause 7.1A)

Cc	sanjeev@listmyindia.com
Subject	Request for 1-Month Extension — Appointment Window — [Growth Partner / Super Growth Partner] — PIN Code(s) [_____] — [Partner Name]

Dear List My India™ Team,

I, [Partner Name], [Growth Partner / Super Growth Partner] under the Growth Partner & Super Growth Partner Agreement dated [Agreement date], request the standard one (1) month extension of the Appointment Window under Clause 7.2, counted from the date of expiry of the original three (3) month window, for the Booked PIN Code(s) below (or, where marked below, a further extension on merit). The current window for each PIN Code below has not yet ended.

Field	Details
PIN Code(s) & Area	[PIN Code – Area] (one or more)
My Role for these PIN Code(s)	[Growth Partner / Super Growth Partner]
Booking Date / Confirmation Date	[DD-MM-YYYY]
Original 3-Month Window Expires On	[DD-MM-YYYY]
Window After 1-Month Extension Ends On	[DD-MM-YYYY] (expiry date + 1 month)
Extension Requested	☐ First extension — 1 month from expiry of the 3-month window, i.e. up to [DD-MM-YYYY] (Clause 7.2) ☐ Further extension on merit — [__] days, i.e. up to [DD-MM-YYYY]
Progress So Far	[e.g. Growth Partner referred on DD-MM-YYYY; Franchise Partner candidate in discussion / Franchise Advance expected by DD-MM-YYYY]
Reason for Extension	[brief reason]

I understand that: (i) the first extension under Clause 7.2 is for one (1) month only, from the date of expiry of the original three (3) month window; (ii) if I do not secure a Successful Referral within that extended month, any further extension is entirely at the Company's sole discretion, purely on merit; (iii) the Company may approve, reject, or attach conditions to this request; and (iv) unless approved in writing, the booking of these PIN Code(s) will lapse at the end of the current window under Clause 7.3.

From	[Partner email ID recorded in Party Details]
To	info@listmyindia.com
Cc	sanjeev@listmyindia.com
Subject	PIN Code Swap Request — [Growth Partner / Super Growth Partner] — [Existing PIN] to [New PIN] — [Partner Name]

Dear List My India™ Team,

I, [Partner Name], [Growth Partner / Super Growth Partner] under the Growth Partner & Super Growth Partner Agreement dated [Agreement date], request a swap of the Booked PIN Code(s) below for the replacement PIN Code(s) shown, under Clause 6.6 of the Agreement, as a PIN Code Booking Request under Clause 6.1A. The existing PIN Code(s) have not lapsed.

Field	Details
Existing Booked PIN Code(s) & Area	[Existing PIN Code – Area]
Original Booking Date	[DD-MM-YYYY]
Current Appointment Window Ends On	[DD-MM-YYYY]
Replacement PIN Code(s) & Area	[New PIN Code – Area] (must be available — not booked or allotted)
Reason for Swap	[brief reason]

I understand that the swap is subject to the Company's approval and the availability of the replacement PIN Code(s); that, unless the Company agrees otherwise in writing, the original booking date, Slab, Rate Lock, and the balance of the Appointment Window carry over to the replacement PIN Code(s); and that the swap takes effect only on the Company's written confirmation, after which Annexure E will be updated.

Regards,

[Partner Name]
