Own the digital map of your PIN code

List My India™ is India's hyperlocal business directory, organised PIN code by PIN code

The problem

Local businesses are invisible to their neighbours

Hard to find

Home-based and small businesses are missing from maps and directories.

Hard to afford

Directories cost ₹3,500–7,000 a month; pamphlets ₹5,000–10,000 per 1,000.

Hard to measure

Over 8.9 crore enterprises are registered, yet owners cannot see who looked at them.

THE GAP Registration is not the gap. Discovery is: the customer a few streets away still cannot find the business next door.

What local businesses use today

Figures are approximate local estimates

Pamphlets

₹5,000–10,000

per 1,000, incl. printing and distribution

- Read once, mostly discarded
- No way to track responses
- Full cost again every run

Google Business Profile

Free

but it needs time and know-how

- Setup and verification skills needed
- Hard for home-based owners
- Larger shops rank higher

Paid directories

₹3,500–7,000

per month, e.g. JustDial

- Recurring cost before first customer
- Priced for established shops
- Little in-person support

Our solution

One local home for every business

Free listing for every business

Shops, home-based ventures and street vendors list free, with photos and contact details.

Found by PIN code

Customers search by PIN code and category and see verified local businesses first.

Affordable paid plans

Plans from ₹99 a month at launch, with a dashboard of views and enquiries.

A local partner, not a call centre

One Franchise Partner per PIN code onboards you and supports you in person.

A very large, under-served local market

Income from the Company's social media is not part of Territory Revenue. TDS under Section 194H applies, with Form 16A issued.

Why a PIN-code franchise

WHY IT WORKS

- One PIN code, one Franchise Partner: exclusive for 3 years
- Recurring monthly Revenue Share, not a one-off commission
- Lean to run: the Company handles technology, invoicing and collections
- Kit, training and partner dashboard included
- Clear numbers: see the investment and returns on page 3

WHO WE LOOK FOR

- Local entrepreneurs known in their neighbourhood
- Women and young entrepreneurs, with special pricing on Bronze and Silver
- Coaching, tuition, retail and marketing professionals
- People ready to run local marketing every month

The franchise: roles, cost and returns

One PIN code, one Franchise Partner: LMI builds the platform, you build the neighbourhood

How the franchise works

WHAT LMI PROVIDES

- Platform, brand and a page for your PIN code
- Franchise Kit: printer, standee, canopy, T-shirts, email ID and dashboard
- Initial training on standards, marketing and reporting
- All invoicing and collections; Revenue Share settled by the 10th
- Local and pan-India digital marketing at Company cost
- Exclusivity: no other partner in your PIN code for 3 years

WHAT YOU DO

- Onboard shops, home-based ventures and street vendors
- Keep listings accurate; explain plans and sponsorships
- Follow up on renewals and give first-line support
- Monthly local marketing: ₹5,000 / ₹9,000 / ₹10,000 by tier, or 5% of last month's Revenue Share if higher
- Send a short monthly marketing report with receipts
- Stay above the Franchise Minimum performance floor

Quick answers

Do I need a GST registration?
Only if your turnover, including Revenue Share, crosses the GST threshold. The Company issues all customer invoices.

How long is the term?
3 years, with no automatic renewal. Renewal needs the Franchise Minimum met and the Company's written confirmation.

Are the projections guaranteed?
No. Figures are illustrative at Target pace. Actual earnings depend on your Territory and your own effort.

Is tax deducted on my earnings?
Yes. TDS under Section 194H applies to Revenue Share; Form 16A is issued.

Will another partner take my PIN code?
No. During the term the Company will not appoint another Franchise Partner for your PIN code.
